Report for the period From April 1, 2024 to March 31, 2025

“How people treat you is their Karma; how you react is yours”

“I tell you one thing - if you want peace, do not find fault with others. Rather see your own faults. Learn to make the world your own. No one is a stranger, my child; the whole world is your own.”

“You should work, no doubt. Work saves the mind from going astray. But prayer and meditation also are necessary. You must sit for meditation at least once in the morning and once in the evening. That will be like the helm of a boat. When one sits in meditation in the evening, there is self-examination in respect of the work done in the course of the day.”

Sri Sri Maa Sarada
